

Susan Vert has been the Financial Aid Director at Irene's Myomassology Institute since November 2005. Armed with an Associates Degree, a tax preparation certification, and a passion for helping students, Susan enjoys the challenges of running the financial aid department. Her commitment to excellence is the driving force that pushes her every day. She attributes her success in Financial Aid with her ability to easily adapt to the ever changing environment, as well as with the partnerships and friendships she has made along the way. Susan is 49 years old, married, with six children and eight grandchildren.

In her spare time she enjoys sitting in her back yard garden that is a Certified Natural Habitat by the National Wildlife Federation.
